Transportation & Bus Procedures Guidelines

This document outlines the operating rules, safety procedures, and code of conduct governing BEKA Academy's school bus transportation service. All parents/guardians must read, understand, and agree to these guidelines before their child(ren) can be enrolled in the bus service for any term.

1. Registration & Fee Payment

- Bus service is allocated on a **term-by-term basis**. A new registration is required at the start of every term.
- Registration is completed online via the BEKA Bus Portal, selecting the appropriate route and trip type (one-way or round trip) for each child.
- Fees must be paid directly to the school's designated bank account, using the reference code issued at registration.
- **Bus service commences only after payment has been verified by the Accounts Office.** Proof of payment must be uploaded via the parent portal for confirmation.
- Multi-child discounts apply automatically at registration for families enrolling more than one child.

2. Punctuality & Pick-up/Drop-off

- Parents and students must be present at their assigned pick-up point **at least 5 minutes before** the scheduled departure time.
- Buses will not wait beyond a reasonable grace period at any stop. The school is not responsible for missed pick-ups due to late arrival.
- Students must be picked up promptly at the designated drop-off point at the end of the school day.

3. Safety & Passenger Conduct

- Students must follow the instructions of the bus warden/driver at all times.
- Students must remain seated with seatbelts fastened for the duration of the trip.
- Students are expected to uphold BEKA Academy's values of respect and good conduct while on the bus, including toward the driver, warden, and fellow students.
- Disruptive, unsafe, or disrespectful behaviour may result in a warning, and repeated incidents may lead to suspension from the bus service.
- Eating, drinking, or littering on the bus is discouraged to maintain a clean and safe environment.

4. Drop-off Security

- For the safety of younger students, **Nursery and Primary school children will only be handed over to their registered parent or an authorized guardian.**

- Parents wishing to authorize another adult to receive their child must notify the school in advance, in writing, with the guardian's name and contact details.
- If no authorized adult is present at drop-off for a Nursery/Primary student, the child will be returned to school and the parent contacted immediately.

5. Changes, Cancellations & Refunds

- Any change of route, trip type, or cancellation of bus service must be communicated to the Accounts Office in writing before the start of a term.
- Refund requests will be reviewed on a case-by-case basis by the school administration and are not guaranteed once a term has commenced.

6. General

- The school reserves the right to review, suspend, or reassign routes based on operational needs, with reasonable notice to affected parents.
- These guidelines may be updated from time to time; parents will be notified of material changes ahead of the next term's registration.

By registering a child for BEKA Academy's bus service, the parent/guardian confirms that they have read, understood, and agree to abide by all the guidelines outlined in this document.
